WELCOME MESSAGE

Dear Colleagues,

Hernia is a common healthcare problem, and techniques for different types of hernia repair have been evolving since times immemorial.

Bendix Ebbell's study of the Ebers medical papyrus dating back to 3,000–2,500 BC suggested that the ancient Egyptians had attained a high level of surgical skill, and had developed procedures for hernia and aneurysm management.

The surgical options of different types of hernia repair have undergone a sea change over the last 2 decades, and more so over the last few years. The Department of Surgery, at **Jawaharlal Nehru Medical College, AMU, Aligarh** is, therefore, organizing a 2 days conference from **August 7-8, 2026**, under the aegis of Indian Hernia Society.

Distinguished faculty having expertise in hernia repair will deliberate on the various treatment options including the latest advancements in hernia repair. Eminent national faculty will also be operating on types of hernia during the workshop using both conventional as well as latest techniques of repair.

We are very hopeful that the riveting, brain storming sessions and operative workshop during the IHSCON shall not only provide a platform for exchange of ideas, but also promote camaraderie amongst the participants, which shall greatly benefit all the stake holders involved in the treatment of hernias, especially, the young budding surgeons as well as post graduate students of surgery.

With warm regards and good wishes.

Team IHSCON 2026

Organizing Committee

Prof. Atia Zaka-ur-Rab
Organizing chairman

Prof. Wasif Mohammad Ali
Organizing secretary

Prof. Mohammad Sadiq Akhtar
Co- Organizing secretary

Dr Imad Ali
Treasurer

Dr. Shahbaz Habib Faridi
Joint organizing secretary

Dr. Manzoor Ahmad
Joint organizing secretary

Dr. Meraj Ahmad
Joint organizing secretary

Dr. Parwez Alam
Joint organizing secretary

Executive Committee

Dr. Amit Srivastava
President (2026)

ABOUT AMU & DEPT OF SURGERY

Aligarh Muslim University is one of India's most prestigious institutions of higher learning, known for its rich history, academic excellence, and cultural heritage. Founded by Sir Syed Ahmad Khan in 1875, the university has played a vital role in modern education and nation-building. With its iconic campus, diverse student community, and strong emphasis on research and innovation, AMU continues to inspire generations of students across India and the world.

The Department of Surgery at Jawaharlal Nehru Medical College is renowned for its excellence in surgical education, patient care, and academic research. With a strong tradition of clinical training and innovation, the department has produced numerous skilled surgeons serving across India and abroad. Combining modern surgical techniques with compassionate care, the department continues to uphold the rich academic legacy of Aligarh Muslim University.

NEARBY ATTRACTIONS

Maulana Azad Library

Maulana Azad Library at Aligarh Muslim University is one of Asia's largest university libraries, renowned for its grand architecture and rich academic heritage.

Shekha Jheel Bird Sanctuary

A scenic wetland ideal for birdwatching and nature lovers, recently recognized as a Ramsar site of international importance.

Teerthdham Mangalayatan

A Peaceful Jain pilgrimage destination with a massive Adinath statue and hilltop temple.

Aligarh Fort

A historic 16th-century fort near the AMU campus with Mughal-era architecture and panoramic views.
